

## Website Terms of Use

By using the Bright Thinking Online website, you agree to follow these Terms of Use. You must use the site responsibly, lawfully and without attempting to bypass security or disrupt services.

You must not introduce malware, attempt to gain unauthorised access or misuse training materials provided through the online learning system.

We work to maintain accurate pricing, descriptions and accreditation information; however, course details may be updated without notice.

All course content, videos, training resources, branding and written materials are protected by intellectual property rights.

We cannot guarantee uninterrupted access or error-free operation and are not liable for losses resulting from website downtime or technical issues.
